Sales information Export West - 24 February 2025

# DreamTeam Campaign – TILLAGE DEMO support

- Idea: use your tillage stock machine for demo and get support from AMAZONE
- Common agreement on a certain amount of demo machines with you AMAZONE export manager
- Demo support by AMAZONE for all reported demos:
  - **250 EUR per demo for mounted tillage machines** (*Catros 03, Cenio, Genius*) OR
  - **500 EUR per demo for mounted foldable tillage machines and mounted ploughs** (*Cayros, Teres, Catros 03-2, Cenio-2, Genius-2*) OR
  - **1.000 EUR per demo for trailed tillage machines** (*Catros -2 TS/TX, Certos, Ceus, Genius TX, Cobra, Tyrok*)
  - Max. 5 demos per machines will be supported by AMAZONE. Deadline for the report is 31.10.2025
  - The demo support will be credit back on your AMAZONE account.
- For reporting of the demos please use the AMAZONE template or online template (please ask your export manager)
- New orders, machines on order and stock machines, which are used for demos as agreed with the AMAZONE export manager, **cannot** participate at other campaigns like the price campaign (see next pages).

# DreamTeam Campaign – TILLAGE stock clearance support

AMAZONE will support the clearance of your young passive soil tillage and plough stock.

- Reporting the actual stock machines to your export manager with the serial number until 31.03.2025
- Feedback from AMAZONE which of the reported stock machines will be supported as approved stock
- Approved Stock: ✓
  - All orders placed as of 1<sup>st</sup> January 2023
  - Older stock with price increase from 2022  $\geq$  12%, order intake from 25.04.2022
  - All machines which has not participated from the soil tillage support campaign 2024
- A proofed sale of a stock machine is done as soon as the end customer has registered the approved stock machines until 31.12.2025 in the myAMAZONE portal. If this is not possible, we also except the full registration in the myAMAZONE for dealer portal from a dealer. There must be a fist use date and the full end-customer contact details (name, address, postcode, mobile phone number and email-address) .Then AMAZONE will credit back via a correction invoice 250 EUR/m for mounted machines\*, 500 EUR/m for trailed tillage machines\*\*, 250 EUR/ body pair for Cayros or Teres and 350 EUR/body pair for Tyrok on your AMAZONE account.
